Playing the Field
Zoe Foster
(Michael Joseph, \$32.95)

Following the success of her first novel, *Air Kisses*, magazine beauty editor Zoe Foster continues her romp into the romantic travails of Generation Y with this high-calorie slice of chick-lit. Foster explores the world of WAGs (Wives and Girlfriends) of football players in this bright, romantic comedy about down-to-earth girl Jean, who falls for a star footballer and then has to find her place in that bewildering world. Foster canvasses matters of questionable footballer behaviour and provides some insight into the world of dating them.
